SCHEDULE 2 ADDITIONAL INFORMATION FOR SCHEDULE 1 ENVIRONMENT PERMIT APPLICATION FORM

1. Details of Application

1.1 Name of Applicant

Name of Company or Individual (if not a company)

Note: Act, section 60(2), where the applicant is a corporation, the natural person signing the application on behalf of the corporation must be the most senior person with the overall supervision and management of the activities conducted at the place named in the application.

1.2 Name of the Applicant's Authorized Contact

Name of person authorized to represent the proponent.

1.3 Company's Registration Details

Registration details as registered with the Investment Promotion Authority (if applicable).

1.4 Registered Address

This is the registered address for company in Papua New Guinea

1.5 Head Office Details

- Street Address
- Postal
- Phone
- Fax
- Email

2. Details of Application

2.1 Details of Ownership of Land and Water Areas where the Activity is Located

Include a description of land or water where the activity will be undertaken including the tenure of land (e.g. Customary or alienated).

2.2 Details of any Existing Permits or Licenses the Applicants Hold over the Area in Which the Activity will be Located.

Provide copies of any existing permits or licenses held over the area in which the activity will be located and submit with this application.

2.3 Details of any Agreement with the Government of Papua New Guinea in Relation to this Activity.

Provide details of any existing arrangements of any endorsement in Principle given by the National Government in relation to this activity.

2.4 Other Government Departments or Statutory Bodies Consulted

Provide information on other National or Provincial Government Agencies that have been consulted in regard to the proposed activity.

2.5 Other Formal Government Approvals that are required to be obtained.

Provide details of other Government Approvals that are required for the Proposed Activity.

2.6 Status of Negotiations with Relevant Landowner or Resource Owner Groups (if applicable).

Provide details of Negotiations (if any) that have taken place between the proponent and / resource owners.

3. Details of the Activity

3.1 Scope and Description of the Proposed Activity and Works.

Provide a Summary Description of the Activity (minimum 2pages) as an attachment to the permit application.

The activity description should include detailed description of the project activities, information on the environment within which the activity is to be undertaken, spatial foot print of the activity and the major Environmental risks likely to result from the activity.

3.2 Location of Activity

For activities for both urban and rural areas the requirement is for provision of spatial data layers in either ArcGIS or MapInfo formats of the boundaries of the proposed activity including the proposed locations of all infrastructures, discharge points, water extraction points, within the activity boundary. All spatial data should be provided in the WGS84 Datum and be in Latitude Longitude format (Geographic Coordinate System).

3.3 Estimated Cost (in Kina) of Works

Provide an estimate value of works in Kina. The estimated cost is the amount in Kina need to carry out the works to which an application relates other than the amount needed to buy land associated with the works.

3.4 Development Schedule for the Proposed Works

Provide details of the proposed commencement date and completion date for the proposed works for the activity.

3.5 Applicant's Assessment of whether the Proposed Activity is a Level 2 or Level 3 Activity

Indicate which level and category of activity from those listed in the *Environment (Prescribed Activities) Regulations 2002* is most applicable to the planned activity.

4. Period for which Permit is Required

The applicant should specify the period for which the permit is required.

5. Application Fees

The application fee is determined from the fees schedule in Schedule 1 of the *Environment (Fees and Charges) Regulations 2002*.
